

# Eagle Point Bay Association

August, 2020

## Association Yard Sale

Clean out your closets and help the Association raise funds for the parks! The Association is planning a yard sale as a fund-raiser. The date is set for Saturday, October 24, from 8:00 a.m. until 1:00 p.m. outside our Building. You may help by donating items for us to sell, proceeds of which would benefit the EPBA. Drop off your garage sale donations on Saturdays in October from 9:00 to 10:00 a.m. We will not accept furniture, clothing, or electronics as donations; all other items will be welcome. Alternatively, you may rent a table for \$10.00 to sell your own items. If you do not have items to contribute, monetary donations are always welcome. We have a lot of park work planned, so the money raised will benefit everyone who used the parks. Lunch will be available consisting of a hot dog, drink, and chips for \$5.00.

## Park Clean-up Day

In an effort to save money and promote a sense of community, the Board decided to organize a clean-up day for our parks similar to that which has been done in past years. Board members Nancy Norris and Peggy Smith spent many long hours organizing the event. It was decided that park items serving as a caution to the residents should be painted yellow and all picnic tables, benches, and the pavilion at Park 1 should be painted red. In addition, trees and bushes needed to be trimmed and weeds needed to be pulled from the shoreline.

On August 22, over 20 volunteers met at 9:00 a.m., masked and ready to work. At noon, the group enjoyed a luncheon of hot dogs, chips, drinks, and desserts. Everyone was aware of and practiced social distancing requirements.

Many thanks to William Mosley for the drinks, Carol Aronson and the Ladies Group for the food, and Acee's Food & Fuel for the much-needed ice. Special thanks to all who volunteered, including Gigi Raynor, Jeannette & Teri Richard, Josh Rochon, Mike & Debra Maeser, William Goodwin, Brad Kleckner, Mike Kosudor, Tony & Brenda Jansen, Terry Hime, Pat Sherman, Julie Hill, Steven & Debbie Rosendahl, Sharon & Alun Hughes, Carol Oldham, and Gary Nuernberger. The work was exhausting but we believe the group thoroughly enjoyed the fellowship after being apart for the past several months. Please enjoy the photos here and on the website.

*All Ladies Group Meetings are cancelled until further notice.*

## *Park 1 Ramp Update*

Due to a miscommunication between EPBA and the company that was to fix the Park 1 ramp, the work did not get done as planned. However, the Board now has another contract to get these repairs completed this year. The Board apologizes for any inconvenience this may have caused.

In addition to the ramp, Park 1 will have the outside parking lot resurfaced as well as oil and chip surfacing near the boat ramp and added gravel to the circular drive. Park 2 will also have road repair work and ditch cleaning for proper drainage, along with fresh gravel in the parking area. Plans for Park 4 include road repair and culvert installation when the funds become available.

Donations to complete this much-needed work will be greatly appreciated.

Remember to lock the park gates upon arrival and departure from the parks. Always accompany your guests at the parks. Never loan your park keys to anyone. The parks are provided for our members to enjoy. Alcohol and weapons are not permitted in the parks. If you notice people in our parks after 10:00 p.m. partying and/or building bonfires, please call the Johnson County Sheriff's Office. If they do not respond, keep calling **618-658-8264** until they do!

## *\*Telephone Numbers\**

Lake Patrol: Dial **527-2006** to reach the boat.  
Dial **964-1448, Ext. 232**, for the office.

Fire District: **964-1278**

Water Department Emergency: **888-314-2053**

Sewer Department Emergency: **888-314-2055**

Electric Co-op: **1-800-833-2611**

Johnson Co. Sheriff's Office: **618-658-8264**

## **School Bus Safety**

Now that school is back in session, please follow the laws to keep our children safe.

\*When a school bus is traveling on a two-lane roadway and is stopped to pick up or drop off pupils, the vehicles in all lanes of traffic must stop. Vehicles should stop at least 20 feet before reaching the school bus to allow pupils to cross the roadway safely.

\*When a school bus is traveling on a four-lane roadway with at least two lanes of traffic traveling in the opposite direction, only those lanes of traffic traveling in the same direction as the school bus must stop. Pupils shall not be required to cross four or more lanes of traffic to reach their residence.

The majority of children injured or killed in pupil transportation are not injured or killed on the school bus, but outside the bus. Most of them are struck by motorists who fail to stop for the flashing red lights and extended stop arm. For more information, please see the following website:
